## 02 Upload Existing Content to Canva

You can upload anything you already have to Canva to make it “awesomer”

## 02 Upload Existing Content to Canva

A screenshot of the Canva website's home page. The top navigation bar includes the Canva logo, menu items like 'Design spotlight', 'Business', 'Education', 'Plans and pricing', and 'Learn', and utility icons for mobile, settings, and notifications. A 'Create a design' button is in the top right. On the left, a sidebar shows the user's profile 'Casey Pyle's Class' and navigation options: Home, Magic Studio (marked 'New'), Projects, and Templates. The main content area has a blue header with the text 'What will you design today?' and a search bar. Below the search bar is a row of category icons: For you, Docs, Whiteboards, Presentations, Social media, Videos, Print products, Websites, and More. In the top right corner of this main area, there are two buttons: 'Customize' and 'Upload'. The 'Upload' button is circled in orange.

## 02 Upload Existing Content to Canva

### Start from a file

Upload your own photos, documents, files and videos to work with. We'll transform them into something fully customizable for you to edit, redesign and collaborate on.
