

## Lisa De Leon's Bio

Lisa Marie De Leon is an empty nester mom of two young adults: daughter Kasey Renee and son Joe David and a wife of over 25 years to her high school sweetheart Noe. A graduate of the University of Texas at Pan American and taught in the CTE department for Edinburg CISD for 13 years (8 of those years she was also the high school Drill Team Director) and is currently with Northside ISD in San Antonio in her 15th year of teaching CTE Health Science Clinical Theory and Practicum Clinic courses for CCMA. Mrs. De Leon was Area 7 HOSA Advisor from 2009-2017, served as a Texas HOSA Board Member for six years and in 2017 served as Texas HOSA Board President. Her twenty year former career background is in Dentistry, Hemodialysis and Oral & Maxillofacial Surgery. Mrs. De Leon loves spending time with her family, working outside on her plants, has a passion for baking, enjoys going to concerts, is quite the "planner" for coordinating events (we just celebrated our parents 55th Wedding Anniversary Party) and is currently looking forward to her daughter's wedding in June 2023!
