THOA Professional Development Conference

Conference for New Teachers starts on Sunday; General conference begins on Mond

Conference designed for Health Science Teachers!

The conference fee includes both Workshops and General Sessions this year.
Sunday & Monday: New Teacher Training, and CPR Instructor Certification.
Monday: Conference registration includes Health Science specific workshops to be chosen during "On-Site" registration at the conference
Tuesday and Wednesday: General conference days include Opening and Closing Sessions with breakout sessions in between.
A complimentary THOA membership is included with all paid conference registrations.
Attendee's have opportunities to visit vendor booths starting on Monday afternoon to view the newest technology relevant to health science education.
Attendee's gain access to the newest, latest, and greatest that our great state has to offer health science teachers.
